CLEARINGHOUSE RULE 09-117

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated September 2008.]

2. Form, Style and Placement in Administrative Code

All of the statutory and administrative code citations should be reviewed and corrected or put into proper form. [See s. 1.07, Manual.] For example, every reference to s. PI 8.01 (2) (f) 2., should be replaced by the reference “sub. (2) (f) 2.”

5. Clarity, Grammar, Punctuation and Use of Plain Language

The agency should consider including an initial applicability section to specify when the rule will first apply to waiver petitions.
